## FREE HEALTH INFORMATION KIT

(Taken from Dear Abby 5/5/10)

The U.S. Food & Drug Administration Office of Women's Health and the Federal Citizen Information Center would like to help women take the time to take care of themselves by offering you a free Health Information Kit. Some topics covered are managing medicines, avoiding health scams, practicing food safety and taking care of the entire family. Order this free kit by going online to [www.pueblo.gsa.gov](http://www.pueblo.gsa.gov) or call 1-888-878-3256. This kit will be sent to you at NO cost.

## ACCEPTING SCHOOL UNIFORMS AND SUPPLIES

I realize the school term for 2009 - 2010 isn't over yet but, Nanny Jeans is accepting school uniforms for the 2010 - 2011 term. All size child & adult. All schools. Uniforms must be in excellent condition. Every year Nanny Jeans has always had the largest selection of school uniforms anywhere. When YOU need to buy school uniforms, come to *Nanny Jeans* first. You will save up to 75% off retail prices. Also, lunch boxes preferably with a thermus, school bags, back packs and all new school supplies.

## FORMAL DRESSES BEING ACCEPTED

I am accepting formal dresses NOW for Home Coming this fall. I need all size dresses. I am hoping to have a huge selection of dresses to choose from for the Home Coming dance. After Prom would be the perfect time to stop by and open an account to sell that formal.

## HELPFUL HINTS

I haven't had a helpful hints category in my newsletter since my first one in 2007. The following is the same helpful hint I used in my first Nanny's News. With summer upon us, I thought it would be a good idea to repeat it. If you have ANY helpful hints you would like to share, please let me know & I will put them in next month's newsletter. EVERYONE knows something that would be helpful to someone else. **HELPFUL HINT:** If you have a problem with fleas on your dog or cat, wash your pet in **blue**

Dawn dish detergent. Dawn is very gentle to the skin and helps with the flea problem.

Use ONLY the **blue** Dawn. I use it. It works.
